

HK 7.5, High-Pressure Hose Kit

Accessory set for retrofitting the practical Quick Connect system. For all Kärcher Consumer pressure washers manufactured since 1992. Not suitable for hose reel machines.

1 Quick Connect

- Easy disconnection of high-pressure hose from spray gun and machine
- The high-pressure hose is easy to manoeuvre, clicking quickly in and out of the device and spray gun. This saves time and effort.

2 Quick Connect upgrade set

- For upgrading all pressure washers manufactured since 1992 with Quick Connect adaptor system

3 7.5 m extension hose

- Very user-friendly
