Description

Long version part 1 (BE)

The GBL 18V-120 Professional cordless blower delivers quick cleanup in the 18 V category. Its compact and balanced design makes handling easy for added control. The cordless blower can be used for tidying up jobsites and cleaning drill holes. Furthermore its air speed can reach 270 km/h, making it very powerful for good results when cleaning an area.

Long version part 2 (BE)

This cordless blower is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System).
