Technical data

Description

Long version part 1 (BE)

The GSH 16-30 Professional with Vibration Control and a 30-mm hexagon socket holder is the universal performer in Bosch's corded breaker hammer range. Its remarkably powerful motor enables the delivery of an outstanding 41 J of impact energy, providing incredibly high material removal rates. This breaker is also built for durability, featuring exceptionally robust metal components. Furthermore, its easy manoeuvrability and low vibration enable perfect handling.

Long version part 2 (BE)

This tool is intended for breaking in concrete and stone. It is compatible with dust attachment GDE hex Professional.

Noise level

The A-rated noise level of the power tool is typically as follows: Sound pressure level 92 dB(A); Sound power level 103 dB(A). Uncertainty K= 2 dB.

Technical data

Rated input power	1.750 W
Impact energy (according to EPTA 05/2016)	41 J
Impact rate at rated speed	1,300 bpm
Weight	16,9 kg
Tool dimensions (width)	255 mm
Tool dimensions (length)	760 mm
Tool holder	HEX 30 mm

Sales information

Positioning

- Extreme power for 13 tons of material removal per day

User benefit

- Highest material removal rate due to 41 J single impact force and 1750 watts motor power
- Longest lifetime due to robust design and use of high-quality materials
- Vibration Control for reduction of harmful vibration and, therefore, longer operating time and greater ease of use
