Description

Long version part 1 (BE)

The powerful GSR 120-LI Professional cordless drill driver delivers endurance within reach for screwdriving and drilling in wood, steel, and plastics. Its optimised, 2-speed gearbox enables high productivity on the job with excellent torque in a wide variety of applications. Electronic Cell Protection guards the drill driver's battery from under-voltage, excessive current draw, and deep discharge, which prolongs its lifetime. This tool offers reliable Bosch quality at a great value for every professional in need of a powerful 2-in-1 drill driver with robustness that lasts.
