Description

Long version part 1 (BE)

Bosch's GWS 180-LI Professional cordless small angle grinder unites corded-level performance with outstanding ergonomics and convenient handling. Specifically optimised for cutting applications, this tool's balanced design and the slim handle provides superb versatility. The brushless high-performance motor makes for fast working progress and provides the equivalent to 700W of corded power. Thanks to improved efficiency and runtime, this grinder gets the best productivity out of every battery charge. Slim handle design and the keyless guard take this grinder's user convenience to the next level.

Tool dimensions (width)	225 mm
Tool dimensions (length)	348 mm
Tool dimensions (height)	120 mm
Battery voltage	18.0 V
Weight incl. battery	2,0 kg
Noise level	The A-rated noise level of the power tool is typically as follows: Sound pressure level 79.5 dB(A); Sound power level 90.5 dB(A). Uncertainty K= 3 dB.

Technical data

No-load speed	11,000 rpm
Grinding spindle thread	M10
Bore size, diameter	22,2 mm
Weight excl. battery	1.4 kg

Tools

Grinding/cutting disc, diameter	100 mm
---------------------------------	--------

Noise/vibration information

Sound pressure level	79.5 dB(A)
Sound power level	90.5 dB(A)
Uncertainty K	3 dB

Sales information

Positioning

- User Upgrade from Corded to Cordless with affordable solutions!

User benefit

- High-performance Brushless motor delivers 700W Corded equivalent power
- Balanced design and slim handle, specifically optimised for versatile cutting
- Increased productivity thanks to improved efficiency and runtime
- Next-level convenience thanks to slim handle design and keyless guard
